

2018 Fall CSA Member Agreement & Info Sheet

We want you to have a great experience picking up the share at Three Sisters and eating our food this season. This information explains the logistics and details of share pickup and what it means to be a CSA member.

OUR SHARE: Pick ups spaced out between November and December. Each pick up will take place at the farm on Saturdays. Because the CSA pick ups are bi-weekly, the quantity of food may be slightly larger than the amount in the weekly summer share. Most of the foods store well and do not have to be eaten right away which is why we space the distributions this way.

OUR PRACTICES: Although Three Sisters is not Certified Organic, we use all organic practices like crop rotation, row covers and proper plant timing for pest control. We use natural fertilizers, cover crops and compost to strengthen the soil. We use organic potting soil and seeds as well. If you have any questions about specific companies or practices we use, please do not hesitate to ask.

PAYMENT: The cost of our Fall CSA is \$150. We cannot accept payment plans for the fall share as space is limited. You can pay by check or by Credit card online. www.threesistersgarden.org/csa-balance

REFUNDS: Your CSA is non-refundable, although you may transfer it to a friend or family member. We cannot refund you for shares not picked up. If your share is not picked up and you haven't made arrangements with the farm manager, your share that week will be donated. Please pay close attention to the dates of the share pick ups

CSA RISK & REWARDS: We take great care to ensure that our harvest is reliable but there are factors beyond the farmer's control (weather, pests, disease) that may impact the harvest. It is important to understand that CSA members share in both the risk of a smaller harvest or the reward of a bumper crop.

SHARE PICKUP TIMES: Pick up times are held on the following Saturdays from 9am-12pm November 3, November 17, December 1, December 15.

SHARING SPACE AT CUVILLY: We share our pickup space and parking area with Cuvilly Arts & Earth Center, at 10 Jeffreys Neck Road. Please be mindful of the shared space and the pre-school children, especially as you're coming and going: drive slowly! ** Please note: The Cuvilly barn and animals are off-limits, unless you're with barn staff. **

If you need to cancel your subscription mid-season for any reason, (e.g. you are moving or simply cannot continue with the CSA), we will deal with early termination on a case by case basis. We are a small farm and rely on Fall CSA dollars to keep the farm running and buy in produce that we may not grow due to storage and other limitations.

We welcome you to the Three Sisters Garden Project. Thank you for choosing us! **Contact Info:** Amy Hulbert, Farm Manager: amy@threesistersgarden.org 978-380-0454 **website:** www.threesistersgarden.org
